

Be Internet Awesome

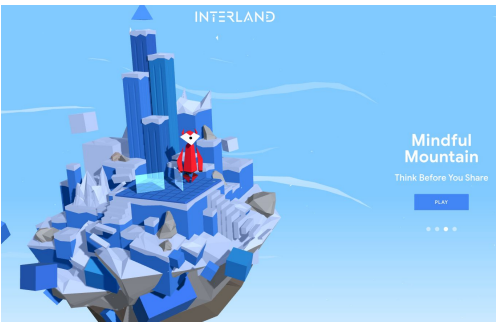

In addition to the Wellbeing grid we have created for you this week, we would like you to have a go at these Be Internet Awesome activities. Be Internet Awesome is the scheme we use in Key Stage 2 at Adamsdown Primary school to encourage children to be Smart, Strong, Alert, Brave and Kind online.

Be Internet Awesome uses the Online world of [Interland](#) to develop the digital literacy of children in a creative and imaginative way.

There are four levels to [Interland](#):

- Reality River
- Mindful Mountain
- Tower of Treasure
- Kind Kingdom

For each level, the children need to look at the Google Slide **first** and then access [Interland](#) to apply their knowledge.

<p>1) Reality River</p> 	<p><u>Be Internet ALERT</u></p> <p>Don't fall for fake! Children need to be able to discern between what is real and what is fake online. This lesson will teach them to spot the differences, and spot clues in fake emails and websites.</p> <p>Reality River slide to read through first:</p> <p>https://docs.google.com/presentation/d/1IPrtcXIChaly8JcDKCIZ466zvBQTbTZDSnEvuJe-ROk/edit?usp=sharing</p>

3) Tower of Treasure

Be Internet Brave

When in doubt, talk it out! This lesson teaches children that when they are put in uncomfortable situations, or feel like they need to talk there are always trusted adults who will listen.

4) Kind Kingdom

Be Internet Kind

It's cool to be kind. The internet gives children the ability to spread positivity and kindness! This lesson teaches children that when they harness positivity, the internet can be a place that encourages kindness and disempowers bullying behaviour.
