

Home learning Grid Gold w/b 13.07.20

<p style="text-align: center;">Literacy</p> <p>Use Google docs to write a recount of your year so far? What were your favourite moments during this year? What were your worst moments? Write about your lockdown as well.</p> <div></div>	<p style="text-align: center;">Numeracy</p> <p>Can you find the factors of the following numbers? Remember factors are numbers that divide exactly into a number without leaving a remainder. E.g. Factors of 12 - 12,1,2,4,3 Can you find factors of:</p> <p>10 14 16 32 24 6 48</p> <p style="color: red;"><i>See link below</i></p>	<p style="text-align: center;">Digital Competence</p> <p>I have created a Flip grid topic called 'It's good to be me' and I would like you to add to it. You can do a dance, Sing or lip sync to your favourite song. log on to google classroom and click on the assignment, you can log on to flipgrid with your hwb. It looks like this.</p> <div></div> <p>Click on the big  to record a response.</p>
<p style="text-align: center;">Modern Foreign Languages</p> <p>Can you ask your friends or family question in welsh Such as: What is your name? How are you? What colour is your favourite? What color is your hair and eyes? What food do you like? E.g. <i>Mrs Karim ydw i. Dwi'n Hapus. dwi'n hoffi lliw porffor. Mae gwallt and llygaid brown gyda fi. Dwi'n hoffi bwyta sglodion a pysgod a cecin!</i></p> <p>Remember this need to be asked in welsh!</p>	<p style="text-align: center;">Language Literacy & Communication</p> <p>Using your HWB email. Send me an email about your day so far.</p> <p>My email is: Karims15@hwb.cymru.net</p> <p>You could write about:</p> <p style="color: green;">How you are feeling What you had for breakfast If you have helped anyone What will you do today?</p>	<p style="text-align: center;">Science & Tech</p> <p>Read through the powerpoint on minibeasts and their habitats and write a factfile on your chosen insect. Include where they live, how long they live, what they eat and about their lifecycle. You can use google docs to write.</p> <div></div>
<p style="text-align: center;">Expressive Arts</p> <p>Practice your dance song or lip sync in front of the mirror or your family before recording onto the Flipgrid. See the DCF box above on how to do this! Happy singing/ dancing!</p> <p>https://www.youtube.com/watch?v=Gq8Wj9bL37I</p>	<p style="text-align: center;">Health & Wellbeing</p> <p>Read this article and get people in your household to read this as well. After reading this article on covid19 recovery. Make a poster about ways on how you and your family can recover from Covid19. You can use Adobe Spark or Google Drawings to do this.</p> <p>https://www.childfriendlycardiff.co.uk/resources/covid-19-recovery-strategy/</p> <div><div></div><div> Adobe Spark</div><div> Google Drawings</div></div> <p>COVID-19 : Recovery strategy</p>	

. Please share any work you are doing with me on twitter on @misshussain9 Also remember to select hand in when you have completed all the tasks. Happy learning!

Numeracy

See link below about factors:

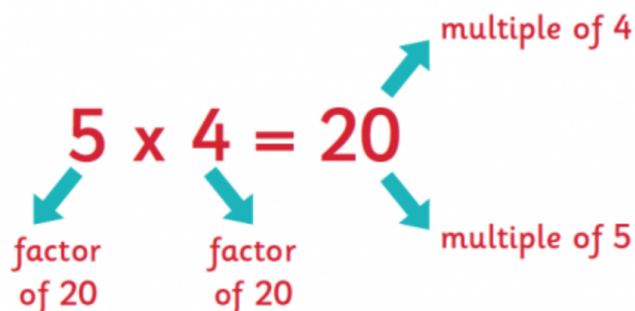

<https://www.theschoolrun.com/what-are-multiples-and-factors>

What are multiples and factors?

A **multiple** is a number that can be divided by another number a certain number of times without a remainder.

A **factor** is one of two or more numbers that divides a given number without a remainder.

Multiples and factors are best explained by using a number sentence such as the following:

This **number sentence** tells us that 20 is a multiple of 5 and is also a multiple of 4.

It also tells us that 5 and 4 are factors of 20.
