Dear Parent/Carer

I hope you and your family are well and that you won't mind me contacting you at this time.

I am the Headteacher of Willows High School and I believe that you live in our catchment area but have chosen to send your child to a different school.

I completely respect your decision and, as a parent myself, I fully understand that this is one of the most important decisions you will ever have to make.

For us to be better able to serve our community, I was hoping that you would spare a couple of minutes of your time to give us a better understanding of what guided your decision.

Our aim at Willows High is to be the first choice for all families in our community and we would be grateful for any information you could provide that would help us on our way.

The survey is completely anonymous but the information you provide would greatly help our planning for future years. The survey can be found here:

Wishing you and your family well,

Chris Norman
Headteacher
