Science & Tech

Create a family quiz.

Use docs/slides/forms/pen & paper.

The quiz could be based on members of the family- how well do you know each other? What's mum's middle name, favourite colour, food?

You could create a general knowledge quiz to test your family!

Expressive Arts

Create a 'Life in Lockdown' piece of art.

It could portray a day you've had, it could show happy/sad/funny times. It could show how you've stayed in contact with friends & family.

Lockdown Limericks

Limericks are poems of 5 lines. Lines 1,2 and 5 rhyme and lines 3 & 4 rhyme.

Create your own limerick, you may use any way of presenting your limerick. Perhaps, create an audio recording to go along with a written version, illustrate it too!

Have a read of some examples!

There are lots of activities and extra resources after the stories- such as board games & research tasks, take your pick of what you want to do and send me anything you do!

Health & Wellbeing

Design, create and complete a fitness work out.

This could be for you and your family.

You can take inspiration from Joe Wicks by using superhero moves and create some of your own-how about an animal inspired workout?

Or dressing up as a fictional character?
