

COOL

<p>Research your dream job.</p> <p>Write a personal profile highlighting all your strengths and attributes that make you the ideal candidate.</p> <p>You could include your responsibilities in school- School Councils, Head Teacher's Team</p>	<p>Find an image of yourself and a sibling/parent / grandparent. (to not ruin the photos, take a picture and upload to hwb) Use the images to 'cut' in half and 'glue' the two halves together. Do you have similar features? Does the new image look like anyone in your family?</p> 	<p>Use a range of information and online resources to find out at least 10 facts about finger prints.</p> <p>Select an appropriate method to present your information (Slides, docs, sheets, handwritten) - you may include video clips, images, images of finger print rubbings.</p>
<p>Research languages spoken across the world.</p> <p>Which countries have the most languages? What are they? Have the languages changed over the years?</p> <p>Collect data on the languages spoken and present in a spreadsheet.</p> <p>Create graphs to represent the data.</p>	<p>Create a 'graffiti wall' using images, words, quotes that represent you.</p> <p>You may hand draw or use docs. Ensure it includes colours that mean something to you.</p> 	<p>Discover more about your family.</p> <p>Create a family tree.</p> <p>How far back can you go? What information have you discovered about your ancestors?</p>  <p>This Photo by</p>

Discover how we have evolved
as humans.
What are your predictions for
the future?

Will humans develop further?
Will our appearance change?

Create a fact file of World
records for sporting events
that interest you.

Which records would you like
to break?

What training is needed to
achieve these goals?

Do you think people can be
naturally good at sports?

Write a tribute to one (or
more) of your family
members.

Include facts as well as
your opinions about them.

You may want to write a
poem or create a video of
your tribute for them to
keep as a special gift.
